FLOAT # _____ FLOAT NAME: _____

CONTACT PERSON: _____ PHONE #: _____

VEHICLE PLATE #: _____ TRAILER PLATE #: _____

The contact person is responsible for making sure NO items are THROWN, SHOT, SPRAYED OR HANDED from the float. Any items intended to be given out are to be handed out from walkers associated with your float. Float lineup is based on a first come first served method.

Under NO circumstances shall any device be used to spray or deliver any type of solid material into the crowds. Spraying of water into the air is o.k. but should not be shot into the crowds.

Floats are not allowed to sell anything, solicit donations or collect donations along the route.

Drugs and alcohol are strictly prohibited.

No more than two (2) vehicles per float.

All floats are required to have spotters walking alongside the float visible to the driver. It is the spotter's job to prevent spectators from approaching the float and to inform the driver when it is clear to proceed from a stop.

It is the float sponsors' responsibility to ensure that the driver of the float is properly licensed and insured.

The driver agrees to maintain a 40 foot space between parade floats, keeping an eye on spotters before proceeding from a stop. Maintaining the 40 foot distance ensures a smooth and uninterrupted parade. No burnouts, wheelies, or other dangerous maneuvers allowed.

The Fishtown Horribles Parade Committee, Inc. will not be held responsible for any accidents or injuries occurring as a result of this float participating in the Gloucester Fishtown Horribles Parade.

I/We hereby agree to the parade rules set by the parade committee to assure a safe and uniform parade.
